Foundations for Implementation

A reference tool containing guidance drawn from the UN's Special Procedures and Treaty Bodies to support States in human rights based implementation of the Global Compact for Safe, Orderly and Regular Migration.

Objective 18: Invest in skills development and facilitate mutual recognition of skills, qualifications and competences

What This Reference Tool Contains

This compilation draws on recommendations from:

- Special Procedure thematic reports that relate specifically to migrants

- Treaty Body General Comments and General Recommendations that relate specifically to migrants

This practical tool emphasises recommendations for individual State action rather than observations, and includes those recommendations that assist in turning the objectives into practical actions rather than echoing the principles and standards agreed in the Compact.
